

**Cardfight!! Vanguard Bahasa Divinez
New System Presentation &
Power-up PR Pack**

We are thrilled to announce that the new major tournament system will be unveiled ahead of schedule, giving participants ample time to adjust and rehearse under the new regulations. A fair and balanced game is ensured by this early adoption, which also helps to minimize domination and promotes more seamless competitions with less interruptions.

The new Cost System in Cardfight!! Vanguard Bahasa introduces an “Energy Generator” ride deck crest for every Ride Deck, enhancing strategy and excitement. To start, purchase a Starter Deck or Trial Deck with Power-up PR Pack, including Energy Generator and Energy Counter.

Energy System

Effective Date: 10th September 2024

Energy Counter

Energy (Prepare 10 cards)

Energy Counter + Fighter's Coin

- Only an officially distributed Energy Counter may be used, but any object can be used as a Fighter's Coin, with the following exceptions:
 1. Objects that are too large (more than 2.5cm in diameter and 4cm in height)
 2. Objects that are unstable and could easily be tipped over
 3. Objects that have numbers on them which could represent an increase or decrease in a number, such as numbered dice
 4. Objects that are already forbidden by the floor rules, such as coins, banknotes or electronic devices.

What is in the Power-up PR Pack?

Power-up PR Cards: 6 Cards; 3 Unique Cards
